Privacy Notice - Data Protection Act

Chiddingstone Nursery School CIO (“Chiddingstone Nursery”) processes personal information about its pupils and is a ‘data controller’ for the purposes of the Data Protection Act. We collect information from you and may receive information about your child from their previous setting.

Why do we collect and use pupil information

We collect and use pupil information under section 537A of the Education Act 1996, and section 83 of the Children Act 1989. We also comply with Article 6(1)(c) and Article 9(2)(b) of the General Data Protection Regulation (GDPR).

We use the data to:

- support your learning;
- monitor and report on your progress;
- provide appropriate pastoral care;
- assess how well we are doing, and
- to comply with the law regarding data sharing.

Categories of pupil information that we collect, hold and share include:

- Personal information (such as name, unique pupil number and contact details)
- Characteristics (such as ethnicity, language, nationality, country of birth and free school meal eligibility)
- Attendance information (such as sessions attended, number of absences and absence reasons)
- Special educational needs information
- Relevant medical information

Collecting pupil information

Whilst the majority of pupil information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the General Data Protection Regulation, we will inform you whether you are required to provide certain pupil information to us or if

you have a choice in this.

Storing pupil information

Chiddingstone Nursery keep information about you on computer systems and also sometimes on paper.

We hold pupil data for 50 years.

There are strict controls on who can see your information. We will not share your data if you have advised us that you do not want it shared unless it is the only way we can make sure you stay safe and healthy or we are legally required to do so.

Who do we share pupil information with?

We routinely share pupil information with:

- our local authority
- the Department for Education (DfE)

Why we share pupil information

We do not share information about our pupils with anyone without consent unless the law and our policies allow us to do so.

We share pupils' data with Kent County Council and the Department for Education (DfE) on a statutory basis. This data sharing underpins school funding and educational attainment policy and monitoring.

We will pass on individual pupil records to the receiving setting when a child moves from one setting to another. This includes when a child moves from Chiddingstone Nursery to a new setting or onto school.

DfE may also share pupil level personal data that we supply to them, with third parties. This will only take place where legislation allows it to do so and it is in compliance with the Data Protection Act 1998.

Data collection requirements:

To find out more about the data collection requirements placed on us by the Department for Education (for example; via the school census) go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>.

The National Pupil Database (NPD)

The NPD is owned and managed by the Department for Education and contains information about pupils in schools in England. It provides invaluable evidence on educational performance to inform independent research, as well as studies commissioned by the Department. It is held in electronic format for statistical purposes. This information is securely collected from a range of sources including schools, local authorities and awarding bodies.

We are required by law, to provide information about our pupils to the DfE as part of statutory data collections such as the school census and early years' census. Some of this information is then stored in the NPD. The law that allows this is the Education (Information About Individual Pupils) (England) Regulations 2013.

To find out more about the pupil information we share with the department, for the purpose of data collections, go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>.

To find out more about the NPD, go to <https://www.gov.uk/government/publications/national-pupil-database-user-guide-and-supporting-information>.

The department may share information about our pupils from the NPD with third parties who promote the education or well-being of children in England by:

- conducting research or analysis
- producing statistics
- providing information, advice or guidance

The Department has robust processes in place to ensure the confidentiality of our data is maintained and there are stringent controls in place regarding access and use of the data. Decisions on whether DfE releases data to third parties are subject to a strict approval process and based on a detailed assessment of:

- who is requesting the data
- the purpose for which it is required
- the level and sensitivity of data requested: and
- the arrangements in place to store and handle the data

To be granted access to pupil information, organisations must comply with strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.
